TECHNICAL TERMS AND ABBREVIATIONS

Account Code:

A numerical code, one or more of which are available to a Customer to enable identification of individual users or groups of users on an account and to allocate costs of service accordingly.

Called Station:

The terminating point of a call (i.e., the called number).

Calling Card:

A card issued by Company containing such account numbers assigned to its Customer which enables the charges for calls made to be properly billed on a pre-arranged basis.

Commission:

Federal Communications Commission

Company:

Network Enterprise Technologies International, Inc.

Credit Card:

A valid bank or financial organization card, representing and account to which the costs of products and services purchased by the card holder may be charged for future payment. Such cards include those issued by VISA or MasterCard.

TECHNICAL TERMS AND ABBREVIATIONS, Continued

Customer:

The person, firm, corporation or other entity that orders or uses service and is responsible for payment of charges and compliance with document regulation.

Dedicated Access:

Non-switched access between a Customer's premises and the point of presence of the Company's underlying carrier.

Disconnect or Disconnection:

The termination of a circuit connection between the originating station and the called station or the Company's operator.

Document

The documented service descriptions, rules, regulations, and charges applicable to Company's International Message Telecommunications Services.

Subscriber:

See "Customer" definition.

RULES AND REGULATIONS

UNDERTAKING OF THE COMPANY

1. All services provided pursuant to this Document are subject to the conditions contained in this section. The Company may, at its discretion, waive, modify or amend these conditions upon notice to Customer.
2. Company provides resold international switched telecommunications service to Customers for their direct transmission and reception of voice, data and other types of communications.
3. Company resells access, switching, transport, and termination services provided by inter-exchange carriers.
4. Subject to availability, the Customer may use account codes to identify the users or user groups on an account. The numerical composition of the codes shall be set by Company to assure compatibility with the Company's accounting and billing systems and to avoid the duplication of codes.
5. The Company's services are provided on a monthly basis unless otherwise provided, and are available twenty-four (24) hours per day, seven (7) days per week.
6. Request for service under this Document will authorize the Company to conduct a credit search on the Customer. The Company reserves the right to refuse service on the basis of credit history, and to refuse further service due to late payment or nonpayment by the Customer.

LIMITATIONS OF SERVICE

1. Service is offered subject to availability of the necessary facilities and/or equipment and subject to the provisions of this Document. Company reserves the right not to provide service to or from a location where the necessary facilities or equipment are not available.
2. Company reserves the right to immediately disconnect service without incurring liability when necessitated by conditions beyond the Company's control or when the Customer is using the service in violation of either the provisions of this Document or the Commission rules.
3. The Company does not undertake to transmit messages, but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connections.

RULES AND REGULATIONS, Continued

LIMITATIONS OF SERVICE, Continued

4. The Customer obtains no property right or interest in the use of any specific type of facility, service, equipment, telephone number, process or code. All rights, titles and interests remain, at all times, solely with the Company.
5. Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this Document shall apply to all such permitted assignees or transferees, as well as all conditions of service.
6. The Company reserves the right to refuse an application for service by a present or former Customer who is indebted to the Company for service previously rendered pursuant to this Document until the indebtedness is satisfied.
7. Foreign Telecommunications Administrations may impose certain limitations, prohibitions or restrictions upon the portion of the end-to-end international service or facilities, which may have the effect of limiting the ability of Customers to utilize the services furnished by the Company. It is the responsibility of the Customer to confirm any limitations, prohibitions or restrictions imposed by the Foreign Telecommunications Administration that may apply.

USE

1. Service may be used for the transmission of communications by the Customer for any lawful purpose for which the service is technically suited.
2. Service may not be used for any unlawful purpose or for any purpose for which any payment or other compensation is received by the Customer, except when the Customer is a duly authorized and regulated common carrier. This provision does not prohibit an arrangement between the Customer, authorized user or joint user to share the cost of service.
3. Application for service may be made verbally or in writing. The name(s) of the Customer(s) desiring to use the service must be set forth in the application for service.
4. The Company strictly prohibits use of the Company's services without payment or an avoidance of payment by the Customer by fraudulent means or devices including providing falsified calling card numbers or invalid calling card numbers to the Company, providing falsified or invalid credit card numbers to the Company or in any way misrepresenting the identity of the Customer.

RULES AND REGULATIONS, Continued

LIABILITIES OF THE COMPANY

1. The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission occurring in the course of furnishing service or other facilities and not caused by the negligence of the Customer, commences upon activation of service and in no event exceeds an amount equivalent to the proportionate charge to the Customer for the period of service during which such mistakes, omissions, interruptions, delays, errors or defects in transmission occur. For the purpose of computing such amount, a month is considered to have thirty (30) days. To the extent permitted by law, the Company will in no event be responsible for any indirect, incidental, consequential, reliance, special, lost revenue, lost savings, lost profits, or exemplary or punitive damages, regardless of the form of action, whether in contract, tort, negligence of any kind whether active or passive, strict liability or otherwise. The terms of this Section shall apply notwithstanding the failure of any exclusive remedy.
2. Company is not liable for any act or omission of any other company or companies furnishing a portion of the service.
3. Except as expressly warranted in writing by Company, Company makes no warranty or guarantee, express or implied, and Company expressly disclaims any implied warranties of merchantability and fitness for a particular purpose.
4. Company shall be indemnified and held harmless by the Customer against:
 - A. Claims for libel, slander, infringement of copyright or unauthorized use of any trademark, trade name or service mark arising out of the material, data, information or other content transmitted over Company's facilities; and
 - B. Claims for patent infringement arising from combining or connecting company's facilities with apparatus and systems of the Customer; and
 - C. All other claims arising out of any act or omission of the Customer in connection with any service provided by Company.

RULES AND REGULATIONS, Continued

LIABILITIES OF THE COMPANY, Continued

5. The Company is not liable for any defacement of, or damage to, the equipment or premises of a Customer resulting from the furnishing of services when such defacement or damage is not the result of the Company's negligence.
6. Company shall not be liable for and the Customer indemnifies and holds harmless from any and all loss claims, demands, suits, or other action or liability whatsoever, whether suffered, made instituted or asserted by the Customer or by any other party or person, for any personal injury to, death of any person or persons, and for any loss, damage, defacement or destruction of the premises of the Customer or any other property, whether owned by the Customer or by others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of equipment or wiring provided by Company where such installation, operation, failure to operate, maintenance, condition, location or use is not the direct result of Company's negligence.
7. No agents or employees of connecting, concurring or other participating carriers or companies shall be deemed to be agents or employees of the Company without written authorization.

RULES AND REGULATIONS, Continued

LIABILITIES OF THE COMPANY, Continued

8. The Company is not liable for any failure of performance hereunder due to causes beyond its control, including, but not limited to, unavoidable interruption in the working of its circuits or those of another common carrier; acts of nature, storms, fire, floods, or other catastrophes; any law, order, regulation, direction, action, or request of the United States Government, or any other governmental entity having jurisdiction over the Company or of any department, agency, commission, bureau, corporation, or other instrumentality or any one or more of such instrumentality or any one of more of such governmental entities, or of any civil or military authority; national emergencies, insurrections, riots, rebellions, wars, strikes, lockouts, work stoppages, or other labor difficulties; or notwithstanding anything in this Document to the contrary, the unlawful acts of the Company's agents and employees, if committed beyond the scope of their employment.
9. The Company shall not be liable for damages or adjustments, refunds, or cancellation of charges unless the Customer has notified the Company, in writing, of any dispute concerning charges, or the basis of any claim for damages, after the invoice is rendered by the Company for the call giving rise to such dispute or claim, unless ordered by the Commission pursuant to federal law. Any such notice must set forth sufficient facts to provide the Company with a reasonable basis upon which to evaluate the Customer's claim or demands.

RULES AND REGULATIONS, Continued

LIABILITIES OF THE COMPANY, Continued

10. The Company shall not be liable for any damages, including usage charges that the Customer may incur as a result of the unauthorized use of its communications equipment. The unauthorized use of the Customer's communications equipment includes, but is not limited to, the placement of calls from the Customer's premises and the placement of calls through Customer-controlled or Customer-provisioned equipment that are transmitted or carried over the Company's network services without the authorization of the Customer. The Customer shall be fully liable for all such charges.
11. The Company will use reasonable efforts to make available services to a Customer on or before a particular date, subject to the provisions of, and compliance by the Customer with, the regulations contained in this Document. The Company does not guarantee availability by any such date and will not be liable for any delays in commencing service to any Customer.

FULL FORCE AND EFFECT

Should any provision or portion of this Document be held by a court or administrative agency of competent jurisdiction to be illegal, invalid or unenforceable, the remaining provisions of this Document will remain in full force and effect.

INTERRUPTION OF SERVICE

1. Credit allowance for interruptions of service which are not due to Company's testing or adjusting, to the negligence of the Customer, or to the failure of channels, equipment and/or communications equipment provided by the Customer, are subject to the general liability provisions set forth in Section 5. herein. It shall be the obligation of the Customer to notify Company of any interruptions of service. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission of the Customer, not within the Customer's control.

RULES AND REGULATIONS, Continued

INTERRUPTION OF SERVICE, Continued

2. For purposes of credit computation for leased facilities, every month shall be considered to have 720 hours. No credit shall be allowed for an interruption of a continuous duration of less than two (2) hours.
3. The subscriber shall be credited for an interruption of two (2) hours or more at the rate of 1/720th of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues.

Credit formula: $\text{Credit} = (A/720) \times B$

A - outage time in hours

B - total monthly charge for affected utility

RESTORATION OF SERVICE

The use and restoration of service in emergencies shall be in accordance with Part 64, Subpart D of the Federal Communications Commission's Rules and Regulations which specifies the priority system for such activities.

MINIMUM SERVICE PERIOD

The minimum service period is one month (30 days).

RULES AND REGULATIONS, Continued

PAYMENTS AND BILLING

1. Charges for postpaid services are applied on a recurring basis. Service is provided and billed on a monthly (30 day) basis. The billing date is dependent on the billing cycle assigned to the Customer. Service continues to be provided until canceled by the Customer on not less than thirty (30) days' notice.
2. The Customer is responsible for the payment of all charges for services furnished to the Customer. Charges are based on actual usage, and are billed monthly in arrears.
3. Billing is payable upon receipt and past due thirty (30) days after issuance and posting of invoice. Bills not paid within thirty-one (31) days after the date of posting are subject to a 1.5 percent late payment charge for the unpaid balance for invoices, and may be subject to additional collection agency fees.
4. A charge of \$30.00 or five (5) percent of the amount of the check, whichever is greater, will apply whenever a check or draft presented for payment of service is not accepted by the institution on which it is written.
5. Billing disputes should be addressed to the Company's customer service organization via telephone to 201-684-1322. Customer service representatives are available to respond to customer billing inquiries from 8:00 a.m. to 5:00 p.m. Eastern Standard Time. All other customer inquiries should be addressed to the Company's customer service organization via telephone to 201-684-1322, where customer service representatives are available twenty-four (24) hours a day, seven (7) days per week.

RULES AND REGULATIONS, Continued

CANCELLATION BY CUSTOMER

1. For services other than prepaid calling cards, the Customer may cancel service by providing written notice to Company thirty (30) days prior to cancellation.
2. Customer is responsible for usage charges while still connected to the Company's service, even if the customer utilizes services rendered after the Customer's request for cancellation has been made notice and the payment of associated local exchange company charges, if any, for service charges.
3. Any non-recoverable cost of Company expenditures shall be borne by the Customer if:
 - A. The Customer orders service requiring special facilities dedicated to the Customer's use and then cancels the order before such service begins, before completion of the minimum period or before completion of some period mutually agreed upon with the Customer for the non-recoverable portions of expenditures; or
 - B. Liabilities are incurred expressly on behalf of the Customer by Company and not fully reimbursed by installation and monthly charges; and
 - C. If based on an order for service and construction has either begun or has been completed, but no service provided.

RULES AND REGULATIONS, Continued

CANCELLATION BY COMPANY

1. Company reserves the right to immediately discontinue furnishing the service to Customers without incurring liability:
 - A. In the event of a condition determined to be hazardous to the Customer, to other customers of the utility, to the utility's equipment, the public or to employees of the utility; or
 - B. By reason of any order or decision of a court or any other governmental authority which prohibits the Company from furnishing such service; or
 - C. If the Company deems such refusal necessary to protect itself or third parties against fraud or to otherwise protect its personnel, agents, facilities or services without notice; or
 - D. For unlawful use of the service or use of the service for unlawful purposes; or
 - E. If the Customer provides false information to the Company regarding the Customer's identity, address, credit-worthiness, past, current or planned use of Company's services.

RULES AND REGULATIONS, Continued

CANCELLATION BY COMPANY, Continued

2. For postpaid services, the Company may discontinue service according to the following conditions upon five (5) days' written notice:
 - A. For the non-payment of any proper charge as provided by Company's Document;
or
 - B. For Customer's breach of the contract for service between the utility and Customer.
 - C. For violation of any of the rules and regulations, terms and conditions of this contract.
3. The discontinuance of service(s) by the Company pursuant to this section does not relieve the Customer of any obligations to pay the Company for charges due and owing for service(s) furnished up to the time of discontinuance. The remedies available to the Company set forth herein shall not be exclusive and the Company shall at all times be entitled to all the rights available to it under law or equity.
4. The Company may refuse to permit collect calling, calling card and third-number billing which it determines to be fraudulent and/or may limit the use of these billing options or services.

RULES AND REGULATIONS, Continued

INTERCONNECTION

1. Service furnished by Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by Company. Any special interface of equipment or facilities necessary to achieve compatibility between the facilities of Company and other participating carriers shall be provided at the Customer's expense.
2. Interconnection between the facilities or services of other carriers shall be under the applicable terms and conditions of the other carriers' documents. The Customer is responsible for taking all necessary legal steps for interconnecting Customer-provided terminal equipment or communications equipment with Company's facilities. The Customer shall secure all licenses, permits, rights-of-way and other such arrangements necessary for interconnection.

DEPOSITS AND ADVANCE PAYMENTS

The Company reserves the right to collect deposits and advance payments, as necessary. Initial deposits or advanced payments shall not exceed two (2) months of Customer's anticipated monthly billing.

CREDIT LIMIT

The Company may, at any time and at its sole discretion, set a credit limit for any Customer's consumption of services for any monthly period.

TAXES AND SURCHARGES

The Customer is responsible for payment of all federal, state and local taxes, franchise, excise and other surcharges applicable to the Services, including, but not limited to: sales, use, excise, franchise, access, universal service, 911 services and handicapped services.

DESCRIPTION OF SERVICE, RATES AND CHARGES

TIMING OF CALLS

1. The Customer's long-distance usage charge is based on the actual usage of Company's service. Usage begins when the receiver of the called number is answered. The moment of the called party's answer is determined by hardware supervision in which the local telephone company sends a signal to the underlying carrier's switch or the software utilizing audio tone detection. The timing of the call occurs when the called party answers and terminated when either party hangs up.
2. The minimum call duration for billing purposes for all services except travel and prepaid calling cards is thirty (30) seconds with six (6) second billing increments thereafter. Minimum call duration for travel and prepaid calling cards is sixty (60) seconds with sixty (60) second increments thereafter.
3. Any portion of an applicable increment, after the appropriate minimum time for the call, will be rounded upward to the next increment. Calls less than the minimum length will be rounded to the minimum length.
4. There is no billing for incomplete calls.

PROMOTIONS

The Company may, from time to time, engage in special promotions of new or existing Service offerings of limited duration designed to attract new Customers or to increase existing Customer awareness of a particular offering. The promotional offerings are subject to the availability of the Services and may be limited to a specific geographical area or to a subset of a specific market group.

INDIVIDUAL CASE BASIS ARRANGEMENTS

Arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a Service offered under this Document. Rates quoted in response to such competitive requests may be different than those specified for such Services in this Document. ICB rates will be offered to the Customer in writing and on a non-discriminatory basis.

DESCRIPTION OF SERVICES

International One Plus Service is a switched or Dedicated access service, offering users outbound “1 plus” long-distance telecommunications services from points originating and terminating within the contiguous United States, Alaska and Hawaii.

Travel Card Service permits the caller to charge the principal presubscribed location for a call while the caller is away from the principal location. The Customer may place calls from any touch tone phone in the contiguous United States, Alaska and Hawaii by dialing a toll free “800” number and entering a personal identification code, followed by the desired telephone number. Travel card calls are billed at the Company’s tariffed rates and appear on the Customer’s monthly long-distance bill.

Prepaid Calling Card Service is a discretionary, switched-access service available to Customers via a toll-free number from any touchtone telephone in the contiguous United States Alaska and Hawaii. Customers purchase the Company’s prepaid calling cards which immediately enables users to place calls from any touchtone telephone, at the Company’s tariffed rates. The Customer’s account is credited for the amount of calling purchased and is debited as the Customer places calls pursuant to the Company’s tariffed rates, until the account balance is depleted. Customers are informed of the amount of calling time remaining on the card at the time they access the Company’s equipment and enter a personal identification number.
